# Here and now

Let's talk about your life  
and all the things that aren't worth to talk about!  
We traveled such a long time  
But we don't know much about each other!

So tell me what you´re thinking of  
And what you're living for  
What you believe in  
And what you're working for

All seems to be nothing  
Nothing seems to be all

So learn to live  
So start to live  
We live here and now  
Not in the future  
Not in the past  
We live here and now

Future dreams and past experiences  
Let me know what you are fearing  
Take your time and start your living  
Now is the time  
Start here and now  
So tell me...
